**Aloha!** Dream beaches, palm groves, hula dances & volcanoes: Hawaii is considered an exotic and peaceful destination! Intensive training sessions will be held by Grandmaster Dr. Andreas Held and a team of international Taekwondo Grandmasters (USA, DE, Australia, Asia).

Excursions are planned with a waterfall hike through the bamboo forest in Manoa Valley, to the National Park and a trip to the Makapu'u Lighthouse with a view to the humpback whales and to the fantastic white sand beaches in Waimanalo and Lanikai.

The camp involves individual arrival and departure (training location is Honolulu, Oahu Island). On request we will be happy to give recommendations for island hopping and excursions (Haleakala volcano in Maui, temple complex in Kaneohe, the movie set of Jurassic Park in Kualoa Ranch, tropical garden island of Kauai, green rainforests, volcanic landscapes, idyllic bays in Big Island) and other highlights worth seeing.
